SCSA Softball

On Friday, 16 October, three teams (Junior, Intermediate and Senior) participated in the SCSA Softball competition in Geelong. Congratulations to the College Senior team who were victorious, winning every match along the way.

Abbey Kelly of Year 11 was voted Most Valuable Player on the day.

Mr Richard Cosway

Endeavour Engineering and IT Exhibition

On Thursday, 22 October a group of students attended the Endeavour Excursion at The University of Melbourne. This experience allowed us to get an insight into different engineering projects and also allowed us to ask the students of Melbourne University about their various courses. We were able to explore the campus and we got to visit the Ian Potter Museum. Overall, the excursion was very beneficial and gave students who attended an insight into possible future courses and careers, in particular, engineering.

FLYBYZ

On 15 October Clik Fablice, part of the FLYBZ African rap duo, came to talk to and perform raps for Year 8 students. He talked to us about his life in Africa, his experiences as a child soldier, coming to Australia as a refugee and how much he appreciates living in Australia. The songs that he performed for us highlighted the importance of loving one another. I found it extremely interesting to learn about refugees from someone who experienced it first hand.
